VCS salutes the honored Gold Medal finalists of the National Veterans Wheelchair Games. Go to www.vacanteen.va.gov for a list of dates and VAMC locations for the autograph sessions.

VCS has joined with General Mills to feature these gold medal winners of the 2007 National Veterans Wheelchair Games on a special edition Cheerios box that will be sold March 2008 in military markets and the VCS retail stores around the country. In celebration of the event, VCS has partnered with Healthier US Veterans to challenge VHA staff & our veterans to participate in the "Champions Challenge". A host of motivational incentives and events are planned throughout the 100-day challenge, including special appearances by our twelve finalists pictured here.
